

## Mâcon-Villages

### COLOUR

It is pale, yellow in colour, with hints of green.

### NOSE

Its fruit is tasty and highly typical: wild peach and spring flowers.

### PALATE

It is fleshy and pleasantly lively, with a well-balanced medium body.

### GASTRONOMICAL SUGGESTIONS

It will be very good with fish, particularly freshwater and with cold meats, also with shellfish, or on its own as refreshment. Serve at 12°C.

### CONSERVATION

Already good, until 2008.

### KEY DATES OF VINTAGE

Maturation time : 7 months.

Bottled : May 2006.

*Tasted on May 17<sup>th</sup>, 2006*
