

Vin de Pays d'Oc Cabernet Sauvignon

GRAPE VARIETIES

100% Cabernet Sauvignon.

AREA OF PRODUCTION

Coastal mountains and hills along the Mediterranean sea between the Pyrenees and the Central Massif of France.

GEOLOGY

Complex clay-rich lime soils of the Jurassic and Cretaceous, bordered by alluvions.

VINIFICATION

Classical vinification of destalked grapes with long maceration and thermoregulation at around 20°C.

MATURATION

4 to 8 months, partly in oak casks to mellow the wine, partly in stainless steel vats for the fruit.
