

## Vin de Pays d'Oc Chardonnay

### GRAPE VARIETIES

100% Chardonnay.

### AREA OF PRODUCTION

Coastal mountains and hills bordering the Mediterranean coast between the Pyrenees and the Central Massif of France.

### GEOLOGY

Complex clay-rich lime soils of the Jurassic and Cretaceous, bordered by alluvions.

### VINIFICATION

Classical dry white wine method, in stainless steel vats thermoregulation at 18°C.

### MATURATION

4 to 8 months, partly in oak casks to mellow the wine, partly in stainless steel vats for the fruit.
